OUR PRIORITIES AND FOCUS FOR 2025/26

As Palmerston North enters a new phase of growth, Palmy BID's focus is on ensuring that local businesses benefit from the city's transformation.

Our work this year will centre on improving how people experience the city centre, making it easier, safer, and more enjoyable to visit, work, and invest here.

Our programme for 2025/26 is built around three strategic priorities.

ADVOCATE

Represent the interests of members in all major infrastructure, policy, and planning decisions.

Palmy BID will engage with Council, CEDA, and other partners to ensure that business perspectives are included in projects that shape the future of the city centre.

Our goal is to drive measurable economic activity and strengthen Palmerston North's profile as a vibrant regional destination.

SUPPORT

Strengthen the safety, pride, and connection of the business community. We will deliver programmes that improve security, enhance the city's presentation, and provide members with resources and opportunities to succeed

These priorities reflect our mission to connect people, businesses, and partners to create a thriving city centre, and our vision of a vibrant, safe, and welcoming Palmerston North.
